

IFC/GEF Efficient Lighting Initiative

General Application for Product Qualification

Form 1: Basic Product Information

Instructions

To qualify products for participation in the IFC/GEF Efficient Lighting Initiative, please prepare an application that includes the following materials:

- A cover letter signed by a manufacturer contact who is authorized to confirm the application for qualification under ELI.
- A completed copy of this Form 1.
- A completed copy of one or more of the appropriate product form(s):
 - Form 2: Compact Fluorescent Lamps
 - Form 3: Indoor Compact Fluorescent Luminaires
 - Form 4: Outdoor Residential Luminaires
 - Form 5: Linear Fluorescent Systems
 - Form 6: Public Area Lighting
 - Form 7: Traffic Signals
- Documentation showing the required accreditation of the testing laboratory (such as a copy of the accreditation certificate, or a letter from laboratory management confirming that the laboratory has been accredited).
- Copies of relevant laboratory test results. All test results that are submitted must be from the relevant Reference Test Procedure and must be performed at an accredited laboratory as described in the ELI Qualification Protocol (See www.efficientlighting.net).
- One (1) unit of the product model to be qualified, in its original retail packaging.

IFC and its consultants shall consider all information provided in this application as confidential. IFC may release aggregated manufacturer product performance information without reference to any specific manufacturer's product.

Directions for Sending Application Materials to ELI Contacts

Applicants must submit applications plus all product performance data in electronic form to both ELI offices indicated below.

Additionally, applicants must ship their product samples plus a print copy of all application materials to the IIEC Regional Office in Bangkok.

Ms. Kathryn Conway
Technical Consultant, Efficient Lighting Initiative
P.O. Box 510
Nassau, NY 12123-0510 USA
email eli@kateconway.cc

email: Mr. Sommai Phon-Amnuaisuk
Senior Project Manager
CERF/IIEC Asia Regional Office
12th Floor, United Business Center II Bldg., (UBC II)
Suite 1208, 591 Sukhumvit Rd. (Corner Soi 33)
Wattana, Bangkok 10110
Thailand
